DETAILED ACTION

Response to Amendment

1. Applicant's request for reconsideration of the finality of the rejection of the last Office action is persuasive and, therefore, the finality of that action is withdrawn.

Allowable Subject Matter

2. Claims 1-20 are allowed.

Regarding Claims 1 and 11, Hsu, Reifer, Chow, and Weber do not teach, alone, nor in combination, the combination of:

A database capable of storing a service provisioning file comprising a mobile station service provisioning program in interpreted byte-code format, and

Wherein receipt of the service provisioning file causes the first mobile station to automatically execute the mobile station service provisioning program in the service provisioning file, execution of said mobile station service provisioning program automatically provisioning said first mobile station without further interaction from a service operator.

Regarding Claims 6 and 16, Hsu, Reifer, Chow, and Weber do not teach, alone, nor in combination, the combination of:

Extracting a service provisioning file containing a mobile station service provisioning program in interpreted byte-code format, and

Execution of said mobile station service provisioning program automatically provisioning said mobile station without further interaction from a service operator.
